

LSL Life – Corlena

Like a Sponge:

Corlena’s parents reflect on her first day of Pre-K.

Dad: So recently Corlena started full day of Pre-K.

Dad: Some of us were a little nervous about her going to Pre-K at this age.

Dad: Some of us wasn’t.

Dad: She loved the fact that she was going to school the whole day. And being a big kid.

Mom: Corlena is doing great actually. They’re like, you know, “Corlena’s a sponge. She’s so smart.” So we’re gonna keep moving her up and take her to the highest level she can go.

Dad: I know this early start is really gonna set her up for the future.
