

LSL Life – CiCi

CiCi Gets Behind the Wheel:

CiCi learns to drive with a little help from Mom.

[car door closes] [engine starts]

Mom: *Take it slow. There you go.*

CiCi: *Okay.*

Okay.

Mom: *There you go. And then what do you do next, before you- yup.*

CiCi: *You turn.*

Mom: *Mhmm.*

It's sort of a right of passage to be able to learn how to drive. It's a part of being independent. It's a part of growing up.

CiCi: *Okay*

Mom: *You're fine. You're fine. Go on.*

CiCi: *Okay, I was...*

Mom: *It's been...*

Dad: *Nerve-racking.*

Mom: *Nerve-racking. To say the least.*

CiCi: *We practice every weekend. I'm nervous but definitely ready to drive on my own.*

Mom: *How about you take it back out.*

[laughter]

CiCi: *Okay.*

Mom: *That's okay.*

CiCi: *Hooo!*

Mom: *You're fine!*

CiCi: I'm definitely excited to have independence.

Mom: *Okay.*

CiCi: *I'm so sorry.*

Mom: *You're okay!*
